

Agenda: APPG Deafness, AGM And Meeting, 07 September 2022 – meeting held online

1.Update on the implementation of the BSL Act

Rebecca Mansell and David Buxton from the BDA will provide an update on the progress made on implementation of the British Sign Language Act 2022.

2. Access to NHS Wax Removal Services

Franki Oliver from RNID will provide a briefing on the current provision of NHS wax removal services, setting out the changes to the pathway in NHS services and the issues with current advice being given to people who are having to self-manage wax removal.

3. NHS England Review of the Accessible Information Standard

Abigail Gorman from SignHealth will present evidence on failings within the NHS on implementation for the Accessible Information Standard, with suggestions on how the Standard can be improved for Deaf patients.

4. AOB
